Dear Sir, thank you for this paper.

The following comments and questions are as follows:

- 1- The research idea is good, but the title is long and general.
- 2- Write the summary in a better way, mentioning the problem and presenting the accurate results
- 3- Add pictures of the hybrid solar energy system
- 4- Better display of system results and curves
- 5- Go back and compare with previous works and benefit from them to improve them
- 6- State the monetary value of the economic interest
- 7- Citing sources in a good way
