

Review of: "Rebuilding a 'Greater Russia' and the Russian Invasion of Ukraine"

Stephen Blank

Potential competing interests: No potential competing interests to declare.

It is good to see Roger Kanet still writing and this article merits publication as it incisively and conclusively shows that Russia's imperial restoration is a long-term process begun under Yeltsin and upgraded under Putin. I found no faults with this article as it states its intention up front and then demonstrates it. This should be widely circulated.
