# Poodle

National Cancer Institute

## Source

National Cancer Institute. *Poodle*. NCI Thesaurus. Code C53858.

The Poodle comes in three varieties: toy, miniature, and standard. It has a profuse, but well groomed and clipped, wiry curly coat. The head and muzzle are long and the ears are wide and hanging close to the head. Coats may come in any solid color, for example: black, blue, silver, gray, cream, apricot, red, white, brown, or cafe-au-lait. Height and Weight for each can be found in the specific descriptions for Toy Poodle, Miniature Poodle, and Standard Poodle.
