Dear the Author(s)/Editor

The paper needs major revision as follows:

- 1- The references to the Qur'anic verses and Hadith should be more extensive.
- 2- The references to Hadith should be to other books than Sahih Bukhari. You need to have a whole study of Hadith, both in Shiite and Sunni books, as in the definition of Sunnah we need to refer to the whole hadith tradition from Prophet Muhammad and His Household (Ahl-Bayt).
- 3- In the title, add "Said Nursi" because you used his opinions and based your research on him.
- 4- Research background and historical background should be added.
- 5- Methodology should be added.
- 6- More references within the text are needed. You are writing an academic paper, not a newspaper one.
- 7- In the Reference chapter, you need to give a detailed list of sources with more sources. The current list is poor.

Regards
