This article does not conform to the structure required of a research paper. There is no in-text citation to link the articles listed in the references with the content of the paper. There is no discussion on the research method employed by the authors that resulted in the findings and recommendations put forth in the paper. This article seems more like an opinion piece, rather than a research article, that can stimulate debate and new research on the need for an evolution of Higher Education in Tamil Nadu. The keywords selected for this paper are too generic.
