

Review of: "Unravelling the Phytochemical and Pharmacognosy Contour of Traditional Medicinal Plant: Pterocarpus Marsupium Roxb"

Zeliha Selamoglu

Potential competing interests: No potential competing interests to declare.

This review paper (19DFB6) evaluated about " Unravelling the Phytochemical and Pharmacognosy Contour of Traditional Medicinal Plant: Pterocarpus Marsupium Roxb".

It is well-marked that this paper would may be an incremental contribution of the manuscript to the field.

The manuscript is acceptable with minor revision depend on my suggestions and useful for publish in your journal.

It is well-marked that this paper would have a little formally errors. Please check whole manuscript very well and correct please as shape.

It may be an incremental contribution of the manuscript to the field.

The article can be improved with some papers and you can cite some papers in the some sections.

It is well-marked that this paper would have a little formally errors. Please check whole manuscript very well and correct please as shape (especially the references section).

Please see some papers to improved your manuscript and you can use them in the introduction and discussion sections:
