Radicalization

Sadiat Mannan¹

¹ University of Toronto

Potential competing interests: The definition is part of a paper published by the author, Sadiat Mannan, at Conflict Studies Quarterly, Babeş-Bolyai University.

Radicalization is the process by which an individual or a group adopts interpretations of an ideology or ideological tenets that conflict with mainstream society's core (liberal) values, which turn into the justification of violence and conflict and/or active engagement in actual acts of violence and conflict to subvert existing social and political (democratic) systems or achieve particular profound (illiberal) social and political goals.
