Review of: "Enhancing Student Writing Skills: Leveraging Transfer Learning and Fine-tuned Language Models for Automated Essay Structure Recognition"

Sakshi Ranjan[1]

1 Indian Institute of Technology BHU

The article uses Lonformer and Bigbird model effectively in their work and showed improvement in results.

Some suggestions for this work are:

1. Please draw an architecture diagram of your methodology to give a visual aspect to your work.
2. Please include motivation to do this research in Introduction.
3. Please include the computational challenges of your work in Introduction.
4. Try to include experimental results in your work and show them through a table.
5. Add architecture diagram of your models.
6. Add more graphs in results to make it a strong one.
