

Review of: "A Bibliometric Review of CSR in China Based on CNKI Database: 2006-2022"

Dr. Purnima Singh

Potential competing interests: No potential competing interests to declare.

This manuscript has a significant contribution in exploring the bibliometric review of CSR in China based on CNKI Database. However, the author should focus more in the introduction part in highlighting the gaps in the relevant literature. Further, the conclusion part should be extended.

Thanks & Regards
