# Dural Extranodal Marginal Zone Lymphoma of Mucosa-Associated Lymphoid Tissue

National Cancer Institute

## Source

National Cancer Institute. *Dural Extranodal Marginal Zone Lymphoma of Mucosa-Associated Lymphoid Tissue*. NCI Thesaurus. Code C95991.

A rare, primary marginal zone lymphoma of mucosa-associated lymphoid tissue that arises from the meningeal dura. The majority of cases have been described in middle aged women. Radiologically, the lymphomatous dural infiltration mimics meningioma.
