Dear authors,

Thank you for submitting your manuscript. I have reviewed it and have a few suggestions for improvement.

Firstly, please correct the language throughout the manuscript and revise your affiliation to accurately reflect your current status. Additionally, consider shortening your abstract to make it more concise and focused.

Furthermore, I recommend improving the overall structure of your manuscript. Pay close attention to the introduction section and consider reading articles from top-tier journals to enhance your understanding and presentation of the theoretical background. It is important to strengthen the theoretical foundation of your study.

Please note that the current version of your manuscript appears to resemble an assignment rather than a submission to a journal. I encourage you to make significant revisions and resubmit the revised manuscript for further consideration.

Thank you for your attention to these matters. Should you have any further questions or require clarification, please do not hesitate to reach out.
