Potential competing interests: No potential competing interests to declare.

1. can improve the first sentence to be more attention catching, something is missing like "...highlights the _____ barriers.."
- 2) can include gender sensitivity since different genders has their styles when communicating to a team and that would also effect the effectiveness of communication
- 3) can rank barriers by important or something so as to know the priorities when establishing such strategy
- 4) can include knowledge management system (technologies) for it can be combined with communication. The two roles work closely together, KM equips communication
