# Attributable, Legible, Contemporaneous, Original, Accurate Plus

National Cancer Institute

## Source

*National Cancer Institute. Attributable, Legible, Contemporaneous, Original, Accurate Plus. NCI Thesaurus. Code C156622.*

A modified guide to the fundamental elements of data integrity originally described by the US Food and Drug Administration; this acronym stands for attributable, legible, contemporaneous, original, and accurate, as well as the additional elements of complete, consistent, enduring, and available.
