Potential competing interests: No potential competing interests to declare.

Abstract:

1-The type of analysis should be added to the article title or the word "analysis" deleted from the title.

2- In the abstract, the first line specifies the type of infection (fungal).

3- Add a number with percentage.

Introduction:

- (pages 1 & 2) All highlighted paragraphs deleted.

- (page 6) The aims are at the end of the introduction, not after the literature review.

-(page 7, highlighted) Which type of cells?

-(page 15/table 14) Used the word "number" instead of "count."

(Page 16/table 15) Used the word "number" instead of "count."

-(page 17/table 16) Used the word "number" instead of "count."

-(page 18/table 18) Used the word "number" instead of "count."

-(page 19/table 19& 20) Used the word "number" instead of "count."

-(page 20/table 22& 21) Used the word "number" instead of "count."

-(page 19/table 19& 20) Used the word "number" instead of "count." That is considered for the rest of the tables in the rest of the pages.
