Potential competing interests: No potential competing interests to declare.

Dear Editor in Chief, receive my greetings and hereby attached our observations on the manuscript entitled "Neurotherapeutic Comparison of Aripiprazole and Ethanolic Extract of *Fragaria Ananassa* on Cerebrum and Amygdala of Methamphetamine Intoxicated Male Wistar Rats."

All remarks were addressed in the manuscript. We think that the manuscript needs a serious major revision. Methodology, discussion, and references are poorly written, and as the manuscript stands, it should be rejected.
