

Review of: "The COVID 19 vaccine patent race"

Swapan Kumar Patra

Potential competing interests: The author(s) declared that no potential competing interests exist.

The paper has given a very interesting insight into the Covid 19 Vaccine patent. It is a well-researched piece comprehensively capture the patent profile of Covid 19 vaccine.

However, it requires some minor modifications as follows:

The paper must start with an introduction followed by the research questions.

The methodology must be clearly stated.

Kindly put a heading on table 2

It requires minor copy editing in some places.
