# Whippet

National Cancer Institute

## Source

National Cancer Institute. *Whippet*. NCI Thesaurus. Code C53920.

The Whippet looks like a small greyhound. It is slender, but hardy with a fine, dense coat that comes in many colors: brindle, black, red, fawn, tigered white or slate blue, either solid-colored or mixed. It has small rose-shaped ears. Height: 17-19 inches (44-47 cm.) Weight: 12-28 pounds (5-12 kg.)
