

# Review of: "Augmented Reality (AR) Technology on Student Engagement: An Experimental Research Study"

Tzu-Hua Huang<sup>1</sup>

<sup>1</sup> University of Taipei

**Potential competing interests:** No potential competing interests to declare.

The manuscript does not adhere to the typical research format; it appears more like a report than a formal research document. It is recommended to adjust the content according to the format, including sections on research methods, research findings and discussion, and conclusions, among others.
