

Review of: "Enhancing Supply Chain Management Risk Mitigation: A House of Risk Methodology Applied to Brick Manufacturing in Aceh Besar Regency"

Prof. (Dr.) S Nallusamy¹

¹ Jadavpur University

Potential competing interests: No potential competing interests to declare.

1. The abbreviations like Aggregate Risk Potential (ARP) are repeated in many places and need to be rectified
2. Methodology flow chart to be added with explanation
3. Tables 2 and 3 are not explained
4. The results and discussion to be elaborated
5. The introduction part is to be extended with the following references
6. Balakannan et al., Performance evaluation of supply chain and logistics management system using balanced score card for efficiency enhancement in Indian automotive industries, Indian Journal of Science and Technology, 2016, 9(35), 10083
7. Nallusamy et al., A mixed-integer linear programming model of closed loop supply chain network for manufacturing system, International Journal of Engineering Research in Africa, 2018, 35, pp. 198–207
8. The grammatical errors to be removed
