I strongly recommend that the manuscript be published in the Journal of Qeios, provided that the authors properly address the following issues.

1. With the review done, the results mentioned in this manuscript are confirmed.
2. To complete the literature review, the following papers should be added to the references list:
 - Communications in Theoretical Physics 74 (7), 075003.
 - Advances in Difference Equations 331 (doi.org/10.1186/s13662-020-02789-5).
 - Nonlinear Dynamics 112 (20), 18397-18411.
 - Partial Differential Equations in Applied Mathematics 9, 100647

Good luck.
