Potential competing interests: No potential competing interests to declare.

it is good work, it can publish after english control and journal style.

Title, organization of paper into sections, subsections should be arranged according to journal style.

Long paragraphs should be divided..

Punctuations, grammar, spacing problem and spelling mistakes should be removed throughout the paper.

Please look over the references according to journal syle.

Please look over all the paper according journal guidelines.

Dear Editor, if author correct the paper according to my comments please accept and publish the this paper

best wishes
