Thank you for bringing Paulo Freire, a pedagogue so important for the times we are living in. However, the text needs major improvements, such as:

1. The title needs to be reconstructed.
2. Text needs more cohesion and consistency.
3. The research question needs to be reviewed.
4. Not clear whether this article is research based or review based.
5. Do not need to have Freire's personal story.
6. No clear rationale problem stated in the Introduction.
7. Should consider to include the Habermas' Theory of communicative action.
8. Methodological framework needs to be clarified.
9. No results shown appropriately.
10. Lack of discussion
11. Lack of reputable and up-to-date references
12. English usage needs to be considered
