My review on the paper

Minor revision is required.

The topic is interesting, and good job developing the paper.

The abstract needs to be summarized, as there is repetition in the text. The same can be done for the introduction.

Also, the paper lacks a discussion part; the discussion part should be comprehensive.

Look at the following paper; it may help you.

Sedighi, M., Sheikh, A., Tourani, N., & Bagheri, R. (2022). Service delivery and branding management in digital platforms: innovation through brand extension. *Human Behavior and Emerging Technologies*, 2022(1), 7159749
