

Review of: "Studying the Level of Livelihood Vulnerability and the Necessity of the Work Developing a Farmhouse Economic Economic Model to Adapt to Climate Change in the Coastal Area of Ben Tre"

Wael Mostafa

Potential competing interests: No potential competing interests to declare.

The article is good and requires some adjustments. Here are the modifications:

Title Shortening:

- *Current Title:* "Studying the Level of Livelihood Vulnerability and the Necessity of Developing a Farmhouse Economic Model to Adapt to Climate Change in the Coastal Area of Ben Tre"
- *Suggested:* "Analyzing Climate Change Impacts on Livelihoods in Ben Tre and the Necessity of Developing an Economic Model for Farms."

Reference List Updates:

- Confirm that all references are recent and available.
- Arrange references correctly by date in descending order, ensuring completeness of citation details.

Results Audit:

- Clarify how the sample was chosen and the method used in more detail.
- Ensure accuracy and comprehensiveness of results through detailed data analysis and conclusions based on strong foundations.

Language Review and Formatting:

- Review language for clarity and ensure proper formatting for smooth reading and better understanding.

Adding New Maps:

- Use new maps to enhance readers' understanding of the specified location.
- Confirm that the maps are updated and reflect the current reality.

Improving Existing Map:

- If the current map is unclear or lacks a coordinate grid, enhance or replace it with a better map.
- Ensure clarity of the coordinate grid on the map.

Explaining Coordinates:

- In the text, provide an explanation of how to read the coordinates and interact with them.
- Add a brief comment on the importance of coordinates in the context of the article.

Guiding Readers to Download Maps:

- If appropriate, direct readers to download the complete maps from a reliable source for additional details.

These additions can enhance information delivery and make the article more effective in conveying concepts to readers.
