**Potential competing interests:** No potential competing interests to declare.

Similar articles have already been published earlier and a few of them are given below. The author should include them and critically explain what are the new additions to the existing literature.

Christopher, P.P. Shafuda and U.K. De (2020), "Government Expenditure on Human Capital and Growth in Namibia: A Time Series Analysis", *Journal of Economic Structures*, 9(1), 1-14.

Shafuda, Christopher, P.P. and U.K.De (2020), "Fiscal Policy Changes in Namibia after Independence: Are Namibians Better Off under Independent Decision Making?", *Strategic Review for Southern Africa* 42(1),69-98.

De, U.K. and Christopher, P.P. Shafuda (2020), "Changing Public Policy on Expenditure in Namibia after Independence and Its Impact", *International Journal of Public Policy*, 15 (5/6), 358-379.

Also compare results with the outcomes of these studies and point out the differences and similarities and the reasons thereof.

Overall, it will be a good article after addressing these issues.
