Potential competing interests: No potential competing interests to declare.

Thank you for the opportunity to review this paper. The subject matter is undeniably intriguing and of utmost importance. However, there is substantial room for improvement in the methodology section prior to publication.

Clarify Respondent Characteristics: It is essential to provide clear and concise definitions of the respondents. Who were the respondents, and what was the sample size?

Elaborate on the Research Process: The paper would greatly benefit from a comprehensive description of the research process. Please include detailed information on how the research was conducted, from start to finish.

Structured Explanation of Thematic Analysis: In the section regarding Thematic Analysis, it is vital to offer a structured and thorough explanation of how the data was analyzed.

I hope these revisions are helpful in enhancing the clarity and comprehensibility of your paper.
