

# Review of: "Evaluation of the effectiveness of the collegiate system of administration at Kwame Nkrumah University of Science and Technology, Ghana"

Paul Addo<sup>1</sup>

<sup>1</sup> Kwame Nkrumah University of Science and Technology

Potential competing interests: No potential competing interests to declare.

The paper can be improved by conducting an interview with key person(s) in KNUST who have implemented this policy to support the questionnaire (use of mixed method approach). Again, related research conducted in other universities on the collegiate system in Ghana could be reviewed to provide a broader context of the discussion.

Validity and reliability of the instruments used needs improvement.
