Cancer Center Support Grant Application

National Cancer Institute

Source

National Cancer Institute. *Cancer Center Support Grant Application*. NCI Thesaurus. Code C39341.

The CCGA application (Form PHS-398) requests documentation on the qualifications of the principal investigators and associates, pertinent budget information and justification for the support of this proposed grant. Up to 5 years of support may be requested. Grants are funded based on scientific merit, program relevance, and program balance and are made annually.
