Childhood Acute Myeloid Leukemia Not Otherwise Specified

National Cancer Institute

Source

National Cancer Institute. *Childhood Acute Myeloid Leukemia Not Otherwise Specified*.
NCI Thesaurus. Code C122625.

Acute myeloid leukemias that occur in childhood and do not fulfill the criteria for inclusion in the group of acute myeloid leukemias which have recurrent genetic abnormalities or myelodysplastic changes, or are therapy-related. This category includes entities classified according to the French-American-British classification scheme.
