National Comprehensive Cancer Network

National Cancer Institute

Source

National Cancer Institute. *National Comprehensive Cancer Network*. NCI Thesaurus. Code C39471.

An alliance of 19 leading US cancer centers, an authoritative source of information to help patients and health professionals make informed decisions about cancer care. Through the collective expertise of its member institutions, the NCCN develops, updates, and disseminates a complete library of clinical practice guidelines. These guidelines are the standard for clinical policy in oncology.
