

Review of: "Youth Attitudes Towards the Effects of Social Media Addiction: A Study on College Students in the United Arab Emirates"

Cresencio Mejarito¹

¹ University of the Visayas

Potential competing interests: No potential competing interests to declare.

- 1.) The study is commendable, yet I would suggest that the proponents have to add more citations and synthesis to justify the claim .
- 2.) It would be better if the proponents provided more of the micro and macro scenario of the study.
- 3.) Please specify the extent of the utilization of the study for the school and community as well.

Thank you so much♥
