

Review of: "Ancient Houses in Ben Tre City: A Multifaceted Approach to Preserve Artistic Architectural Heritage and Boost Local Tourism"

preethi Preethi

Potential competing interests: No potential competing interests to declare.

1. Reference section needs to be improved. More latest literature is required to be cited (preferably from the most recent and peer-reviewed journals)
2. Language/grammar needs to be improved (to be up to the journal's standard)
3. Conclusion should be brief and effective.
