The manuscript entitled: "An Investigation of the Phytochemical Richness of Fresh Musa Paradisiaca L. (Plantain) Stem Juice and Its Anticonvulsant Potential on Pentylenetetrazole (PTZ)-Challenged Rats." The current study will be of interest to the journal's readers. However, before accepting it, it needs revision as follows:

There is no indication of when the research was conducted.

"Provide a proximate analysis of the rat feed used."

Provide superscript annotations (a, b, c) in Table 3.

Provide superscript annotations (a, b, c) in Table 4.
