

# Review of: "Synthesis of Nickel Nanoparticles Using Ionic Liquid-Based Extract from *Amaranthus viridis* and Their Antibacterial Activity"

Razieh Razavi<sup>1</sup>

<sup>1</sup> University of Jiroft, Jiroft, Iran

Potential competing interests: No potential competing interests to declare.

1-In abstract, the numerical results must be added.

2-In IR, which peak refers to Ni?

3-In the XRD pattern, the plane should be notified to the peak.

4-The plot of the antibacterial experiment must be added.

5-A comparative table of your work with the other work should be added.

6-The resolution of the SEM is weak.
