Potential competing interests: No potential competing interests to declare.

Major Revision

1. The abstract needs to strengthen incorporating implications.
2. Average credibility of the used references are very weak.
3. Extend the review of literature and identify the research gap.
4. Include limitations, future scope and implication in the paper
5. The authors are suggest to refer good paper relating to the theme viz doi.org/10.13052/jmm1550-4646.1841, Doi: [10.1109/CCGE50943.2021.9776386](https://doi.org/10.1109/CCGE50943.2021.9776386)
6. Conclusion should be precise and extend to cover the outcome and discussion.
