

Review of: "Carcinogenesis and Angiogenesis Study Induced by Anthrachinone Plants and Hydroxyanthracen Derivatives in Chicken Eggs"

Carolina Pressete

Potential competing interests: No potential competing interests to declare.

In the presented title "Anthrachinone Plants", it was not clear. Wouldn't the correct be "Anthraquinone derivatives"? The title needs to be self explanatory and is generating doubts.

Some paragraphs are too long and without punctuation, making reading tiring.

Better structure the summary.

Indicate which are figures A and B.

References should be cited throughout the text, this was not done.
