Doberman Pinscher

National Cancer Institute

Source

National Cancer Institute. *Doberman Pinscher*. NCI Thesaurus. Code C53767.

The Doberman Pinscher is a muscular and very powerful dog. Its hard, short-haired, close-fitting coat comes in black, black and tan, blue-gray, red, fawn and white. The hair is short, thick and tight to its body. The ears are usually cropped and then taped for a couple of months to make them stand up. If left natural the ears develop somewhat like a hound. Height: 24-28 inches (61-71 cm.) Weight: 66-88 pounds (30-40 kg.)
