Potential competing interests: No potential competing interests to declare.

The manuscript entitled "Effect of Supplementation with Moringa oleifera on Antioxidant and Oxidative Stress Biomarkers of Infertile Women: A Pilot Open-Label Randomized Clinical Trial" falls within the scope of the journal. However, this reviewer has the following comments for the manuscript.

Major comments:

- Authors should insert a table reporting demographic, clinical, and laboratory characteristics of patients. Authors should also specify whether patients are subject to pharmacological treatment.
- Authors should insert a graphical abstract to summarize the contents of the article in a concise form and capture the attention of the readership.

Minor comments:

- Authors should report the keywords in alphabetical order.
- Authors should insert an abbreviation section.
- The English language has to be revised.
- Authors should improve the formal aspects of the manuscript.
