Dear authors,

Congratulations on your work, but I have some comments:

- Please rewrite your abstract. Make it concise.
- Please pay attention to how you use the units of measurements (g/cm^3 , not g/cm3).
- Please enhance the quality of figures 1, 3, 5.
- Please mark formulas 1 and 2.
- Please rewrite formulas 3, 4, and 5.
- Please add more references; there are plenty in the literature.
- Please describe how you obtained the plastic pavements.
- Please verify figures 6, 7, 8, 9, 10, 11, 12. (MPa, not Mpa, and more other errors)
- Please highlight the importance and novelty of your work.
