Welsh Springer Spaniel

National Cancer Institute

Source

National Cancer Institute. *Welsh Springer Spaniel*. NCI Thesaurus. Code C53887.

The Welsh Springer Spaniel is a compact, medium-sized dog with a medium-length, dark red and white coat that is straight or slightly wavy with feathering on the chest, undersides, legs, and tail. The longish pendant ears are fringed with hair, somewhat like a setter's. Height: 16-19 inches (41-48 cm.) Weight: 35-45 pounds (16-20 kg.)
