Potential competing interests: No potential competing interests to declare.

1. The title can be changed to "Determinants" rather than "Determinant."

2. Typing errors

The structured....

.....diseases are covered...

.....children were in Meltu Town....

....which is collected...

3. You can also review your keywords.

Caretaker and mother???

You may add determinants.

4. Rewrite the conclusion; results are not put under the conclusion.
