

Review of: "Tweeting AI: A Machine Learning Approach for Bird Species Detection and Classification"

Suganyadevi S

Potential competing interests: No potential competing interests to declare.

1. Mention a few recent techniques and highlight what are the challenges faced by the existing systems and then present the proposed objective. Objectives and challenges are quite different from each other.
2. CNN Explanation alone presented in methodology. Its not adequate to present the novelty of the article.
3. Literary style of the paper should be improved.
4. Instead of presenting the snapshot, mention the algorithm of your proposed method.
