Potential competing interests: No potential competing interests to declare.

1. In the third paragraph of the Introduction, the source of “some reports” should be defined.
2. On page three, the full form of “DMZ” should be written instead of on page 4.
3. In the caption of Figure 2, the first letter should be capital.
4. In the conclusion, in the first line, there is a word “Esna”; in the 2nd para (2nd line), “Isna”; and in the caption of Table 2, it is “Isnah.” These words should be the same.
