Potential competing interests: No potential competing interests to declare.

This research has addressed an interesting topic. Please solve the minor problems mentioned below.

- 1- The method and results should be discussed in the abstract.
- 2- Explain the reason for choosing the analysis method.
- 3- Innovation should be determined in connection with the study of the background of the research.
- 4- Add a section titled "Discussion" to the research and compare your results with other studies.
