Potential competing interests: No potential competing interests to declare.

- The abstract should contain: Background, objective, problem, methodology, brief findings, brief conclusion, and recommendations if any
- Keywords OK
- The introduction.
- LR OK
- The problem is not clear enough
- The Methodology is not clear
- The Contribution is ok
- The result discussion ok "however, the experiment results are not clear to the reader"
- Conclusion is too short, need to summarize the finding
- Paper structure needs improvement
- References are not updated at all, must be in last 3-5 years
