Review of: "Exploding AI-Generated Deepfakes and Misinformation: A Threat to Global Concern in the 21st Century"

Wildan Jameel Hadi[1]

1 University of Baghdad

1- Abstract section needs to reformulated because there is a narrative in the speech.

2- Section 5 needs to mention more details because the subject of the research is deepfakes.

3-The conclusions section is very weak and could be rephrasedز

4-Overall, the paper aims to offer a concise overview of deep fake technology and its societal implications.
