Potential competing interests: No potential competing interests to declare.

The following should be noted and corrected accordingly:

1. How practicable is your proposed model in real time?
2. Is it cost-efficient?
3. Grammar requires minor re-editing.
4. The work should be organized into sections.
5. The Introduction should contain the organisation of the study.
6. What are the main contributions of the study?
7. What is the future scope of the study?
