# Reportable Patient Standard Cancer Center Information Summary

National Cancer Institute

## Source

National Cancer Institute. *Reportable Patient Standard Cancer Center Information Summary*. NCI Thesaurus. Code C39506.

The Reportable Patient, Standard Cancer Center Information Summary for Cancer Center Support Grant Application, is a Cancer Center patient with malignant neoplasm that was seen face-to-face and registered at Cancer Center in inpatient or outpatient setting during 12-month reportable period. The concept does not refer to consults, diagnoses at autopsy, former patients admitted for rehabilitation, and follow-up patients after treatment completion.
