Dear authors,

I read with great interest the manuscript, which falls within the aim of this Journal. In my honest opinion, the topic is interesting enough to attract readers' attention. Nevertheless, the authors should clarify some points and improve the discussion, as suggested below. The authors should consider the following recommendations:

In my opinion, you have to improve the paper by referring in the text to how it's IMPORTANT TO COMPARE WITH OTHER INFECTIONS OR A PANDEMIC SUCH AS THE ZIKA VIRUS OR COVID AS WELL.

I SUGGEST YOU READ and cite these articles:

[Congenital Zika Syndrome: Genetic Avenues for Diagnosis and Therapy, Possible Management and Long-Term Outcomes](#)
