# Hollings Cancer Center

National Cancer Institute

## Source

National Cancer Institute. *Hollings Cancer Center*. NCI Thesaurus. Code C105624.

The mission of the Hollings Cancer Center is to reduce the cancer burden in South Carolina through high-quality patient care, research, professional education, and cancer prevention programs with a focus on reaching underserved populations. It became an NCI-designated cancer center in 2009. It is a Medical University of South Carolina center.
